New Post Office Work Will Begin Within 2 Weeks

Construction on Sierra Madre's new Post Office will begin within the next two weeks. Contractor Harold Spears told the NEWS Tuesday.

Contract for building the new office at 309 W. Sierra Madre boulevard was delivered to Mr. Spears last Friday by City Postmaster Eddie D. Robertson.

Around the Square

There's a Cockatoo named George flying around loose somewhere. You know, one of those little gray birds you can teach to whistle Yankee Doodle.

Postmaster Robertson indicated that the new building will be ready for use by the first of March or April, depending on weather factors.

On Monday afternoon of this week, Mr. Robertson and Mr. Spears met with Postal Inspector Ray A. Short of Los Angeles to iron out minor details of the building plans.

"Although the blueprints already have been fully drawn, we were working out an improved variation of the lighting system. All adjustments on the plans will be completed by the end of this week, however," Mr. Robertson said.

The transaction for the Post Office building went into escrow on Monday.

When the announcement was first made last Thursday, a storm of protest arose from Sierra Madre merchants who felt the new site was too far away from the present center of town.

As the arrangements became final this week, however, most of the objections died.

Christmas Program Instructions Listed

James S. Riley of 1160 West Orange Grove avenue was one of 135 prominent persons in the county nominated this week for the 1950 County Grand Jury panel.

He was nominated by Superior Judge Philip H. Richards.

With the new storm drain in, Don Jackson and the other merchants along the south side of Sierra Madre boulevard won't have to use brooms to keep flood waters out of their stores. In years past rain flow, diverted by wheels of cars parked to the curb, flooded the shops.

The telegram confirming approval of the new post office site "way up yonder" had hardly been delivered before Contractor Harold Spears was out with a transit and a helper laying out the stakes for the building. They now call him No - Moss - Under - My - Feet Spears.

'Orchid Days' Slated For Friday, Saturday

The fad of Sierra Madre women wearing orchids will begin tomorrow.

On that day and Saturday, Dec. 10, women Christmas shoppers will be presented a free baby "Princess Aloha Orchid" with each purchase in 18 local stores.

Merchants are officially opening their Christmas shopping with the Orchid Days sales.

This being the Orchid Days edition, the NEWS this week advertises many "specials" offered by downtown stores.

Several other communities and shopping centers throughout the United States have already participated in the Orchid Days sales, and the event is rapidly becoming a tradition nationally.

The orchids which were flown directly from Honolulu, Hawaii, will be given away mounted in a plastic locket pin vase.

Sierra Madre businesses participating in the Friday and Saturday Orchid Days are:

Royal Drug, the Drapery Shop, Fashion Future, Wistaria Bake Shop, Pickett's Service Station, Robert's Market, Byron Hopper, Jeweler, Sierra Madre Hardware, Howard's Furniture, Sheets, Raz-musson Appliance and Sporting Goods, Don Jackson's Men's Shop, Dickson's Market and Sorensen's Meats, Ralph's Shoe Store, Arnold's Hardware, Garland's Dry Goods, and Marjorie James Shop. LaLone Cleaners and Dyers.

IN FULL CHRISTMAS REGALIA. This magical transformation will again take place Sunday, Dec. 11, when the Chamber of Commerce supervises decoration of the station. Icicles, snow, and a huge, gaily-decorated Christmas tree are a few of the Depot's Christmas adornments. Chamber President Al E. Morgan asks all available citizens to report to the station 9 a. m. Sunday to help with the annual project. Christmas programs at the station will begin Monday evening, when stores will begin staying open evenings until 9 p. m. Last year's Depot decorations received wide praise from visitors throughout Southern California, and camera fans were frequent callers during the holiday season.

JOHN W. ADAMS ELECTED MASTER OF LOCAL LODGE

In the annual election of officers Tuesday night, John W. Adams was elected Worshipful Master of Sierra Madre Lodge No. 408, F. and A. M. Mr. Ad-

JOHN W. ADAMS

ams will succeed Harold Roberts.

A resident of Sierra Madre for the last five years, Mr. Adams is retired and lives at 623 Brookside Lane. He has been a Mason for 25 years, having joined the Berwyn, Ill., Lodge No. 836 in 1924.

John C. Mead, City Judge and attorney, was elected Senior Warden of the Sierra Madre Lodge. Judge Mead was a Worshipful Master of the local lodge in 1948.

Other officers elected were Thomas M. Tarwater, Junior Warden; Thomas Polgreen, Senior Deacon; and Harry B. Humphreys, Junior Deacon.

Fast Return Of Visiting Nurse Urged

At Tuesday's meeting of the Coordinating Council, group representatives indicated they will recommend to their respective organizations that support be given to the earliest possible restoration of the Visiting Nurses' Association.

Each representative was given a letter to take back to his group, urging support of the plan whereby Sierra Madreans could again call in a Visiting Nurse in time of illness.

The Visiting Nurses' service has not been available in Sierra Madre since July of this year, when it was discontinued because of lack of a sponsoring body.

"As soon as we get an expression of backing from local organizations, we can petition the City Council to restore the service," Coordinating Council President John Conzelman said.

"It is necessary that the Visiting Nurses' Association be assured that in cases where the patient is unable to pay all or part of the \$2.75 fee per visit, they be reimbursed for any deficiency."

It was pointed out that the city is the logical sponsor of the service.

Conzelman continued that in the year 1948, this deficiency amounted to \$523.93.

During 1948, 493 visits were made to 31 people, and the patients made payments of \$780.25, Mr. Conzelman said.

Earlier in the meeting, Miss Helen Woodworth, director of the Pasadena Visiting Nurses' Association, had stated that her organization does not wish to discriminate between patients who can and cannot pay, and therefore is able only to respond to calls in communities where such guarantee to make up the deficiency has been given.

In the other communities where the service is provided, funds to pay for it are obtained through the Community Chest. Sierra Madre has no Community Chest as such, it was pointed out.

Dr. Nathan Jacobs addressed the Coordinating Council briefly, telling the values of the Visiting Nurses' availability from the doctor's point of view.

Also at Tuesday's meeting, the Council voted to become a member of the Los Angeles County Federation of Community Coordinating Councils.

STATE OFFICER INSPECTS CITY FOR ARMORY SITE

Col. Paul C. Byrne, commanding officer of the 223rd Infantry Regiment, California National Guard, has informed the NEWS that a number of communities in his area were visited the post week by Lynn S. Coe, investigator for the California State Assembly Military Affairs Committee.

Mr. Coe was specifically charged with investigating the needs of companies in this area for National Guard armories.

Investigator Coe will submit his report to the Military Affairs Committee—which group is in charge of budgetary requests of the Adjutant General, Major Gen. Curtis D. O'Sullivan.

As in the past, proceeds from the dance will be used in filling Christmas stockings and candies; and Mrs. Goodwin, Mrs. Lucille Eaton, and Tom Schwartz.

The Chamber steering committee on Depot decorations consists of Mrs. Rosalie Goodwin, Mrs. Lucille Eaton, and Tom Schwartz.

Other key workers on the decorations will be Harold Spears, in charge of building arrangements; Bob Crowell and Marvin Thomas, electricians who will wire the huge Christmas tree; Mrs. James Gentry and her Campfire Girls, who are reconditioning the roof icicles; and Mrs. J. Milton Steinberger, who will supervise decoration of the tree.

First Christmas evening program will be conducted Monday night, Dec. 12. That night will mark the beginning of Sierra Madre stores remaining open nightly until 9 p. m.

Local Girl Scouts will sing Christmas carols at the PE station during the evening, according to Mrs. Goodwin. On Tuesday evening, the Church of the Ascension Parish Day School choir will present the holiday music.

There will be no special program on Wednesday at the station, Mrs. Goodwin said, but on Thursday—besides the square dance at the Masonic Temple—St. Rita's choral group will sing carols.

Merchants are urged to complete their Christmas window displays by Monday, Dec. 12. Judging of the contest will be conducted during next week.

Three classifications in the Window Display Contest have been designated by Mr. Morgan, and prizes will go to the best display in each division.

The classes of competition are: windows of less than 25 foot frontage; windows larger than 25 feet; and stores having no windows but a Christmas display somewhere else within the establishment.

Winner of the Window Contest, which will be announced in the Dec. 22 issue of the NEWS, will receive a loving cup trophy—the "Christmas Cup." Second and third place prizes are ribbons.

Square Dance Thursday For Evening Shoppers

Featuring "live" music and a prominent San Gabriel Valley "caller," the first of two free evening Chamber of Commerce Square Dances will be conducted next Thursday, Dec. 12, at the Masonic Temple, 33 E. Sierra Madre boulevard.

"But he did make the statement that he was much impressed with development of the local unit, with the proposed armory site, and he was pleased with community interest in the Company."

Captain Ullman also announced Tuesday that the local Heavy Mortar Company gained three recruits during the last week. The Company strength now stands at 4 officers and 80 enlisted men. One Guardsman was lost during the week, however, the Captain stated, when PFC E. Winn joined the U. S. Marine Corps.

Captain Ullman also announced Tuesday that the local Heavy Mortar Company gained three recruits during the last week. The Company strength now stands at 4 officers and 80 enlisted men. One Guardsman was lost during the week, however, the Captain stated, when PFC E. Winn joined the U. S. Marine Corps.

Remainder of the money obtained from the dance ticket sales will be used for Christmas food baskets for needy families, and for the Annual City Park "Egg Roll" during the Easter season.

Heasley announced the following chairmen for the Dec. 17 dance at the Woman's Clubhouse: Mercer Duff, refreshments; Bob Thomas, decorations; and Charlie Brown, general dance chairman.

"This is the Firemen's one appeal of the year," the Chief reminded citizens. "We hope every one will help out."

Christmas Seal Sales Now in Second Week

Although no official check has been made as yet, Mrs. Harold Zook, 1949 Sierra Madre Tuberculosis Christmas Seal Campaign Chairman, reports that sales so far have been "light."

As the drive enters its second week, Mrs. Zook gave additional instructions on how to use the seals which are located at various points throughout the city.

On each self-seller, there is a pile of envelopes, each containing 50 seals. To buy the entire envelope of 50, purchasers insert 50 cents in the coin box.

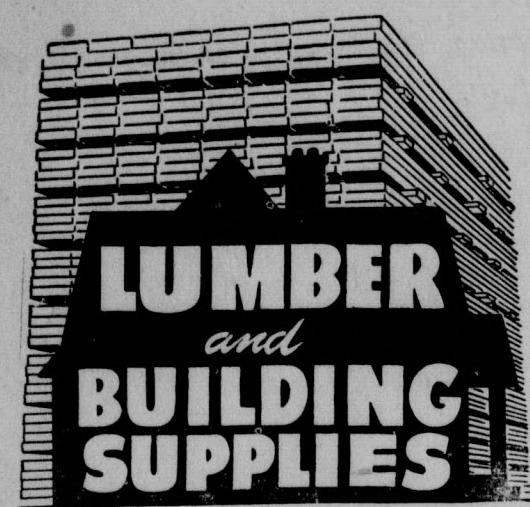

"It is possible, however, to buy any amount of the seals," the City chairman said. "Just tear off the desired number of seals and insert the appropriate coins in the slot—a penny for each seal."

Christmas Seal self-sellers have been placed in the following stores and business establishments of Sierra Madre, according to Mrs. Zook:

Garland's Drygoods, Hartman's Drugstore, Post Office, Goebel's Malt Shop, Ralph's Shoe Store, Tiny's Cafe, Arnold's Hardware, the Bank of Sierra Madre, Robert's Market, Marshall's Nursery, the Marjorie Janes Shop, the City Hall, and Safeway market.

Dr. C. W. Peterson, local dentist, was the evening speaker at last Thursday's regular meeting of the Sierra Madre Lions Club.

Dr. Peterson gave the Lions tips on dental care and analyzed foods in relation to dentistry.

Guests at the meeting were Attorney G. G. Baumen, who just recently moved to Sierra Madre, and Roy G. Knutson.

From their word picture of the youth, Sierra Madre Officers William R. Mackie and Paul R. Bird figured out who possible suspects could be, drove to the 17-year-old's home and made the arrest.

And a 17-year-old youth was being detained this week pending the filing of detention orders with the Juvenile Court.

The boy was picked up Sunday evening following his alleged igniting of a pile of trimmings in the parkway at 718 Manzanita, the home of Dr. and Mrs. John L. Woehler.

Mr. and Mrs. John J. Hildner, 200-D S. Michillinda, told policeman they saw the suspect running from the scene, and their description aided his quick arrest.

Local Couple Hit By Car

Dr. and Mrs. Joseph Andrew Hall, 611 W. Grandview avenue, are recovering this week from injuries sustained when they were struck down by a car last Wednesday night in Altadena.

A fractured shoulder and pelvis were suffered by Dr. Hall in the accident which occurred at Atchison street and Lake avenue, and Mrs. Hall received numerous bruises.

Dr. M. H. A. Peterson, attending physician, said last week that the couple's condition was "generally good." They were treated at St. Luke Hospital.

Dr. Hall is associate pastor at the Westminster Presbyterian Church in Pasadena, where his ministry centers principally around visitation work. A retired MD and an ordained minister, Dr. Hall for 30 years served in the missionary fields of the Philippine Islands.

During the recent war, he aided the U. S. invasion of Leyte, P. I., by providing valuable information for the armed forces, acquired through his many years' experience in the islands.

The Sierra Madre residents were in the crosswalk when the car hit them according to investigating Pasadena Police officers. Driver of the automobile gave his name as Theodore S. Cope, 430 E. Las Flores, Altadena.

Cope was cited for failing to give pedestrians the right of way.

Police Nab

Fire Suspect

Quick police work and an accurate description given by residents led to the arrest Sunday night of a juvenile "firebug" suspect who was quoted as saying he started fires "just for the fun of it."

And a 17-year-old youth was being detained this week pending the filing of detention orders with the Juvenile Court.

The boy was picked up Sunday evening following his alleged igniting of a pile of trimmings in the parkway at 718 Manzanita, the home of Dr. and Mrs. John L. Woehler.

Mrs. Evers was arrested Friday evening, Dec. 2, and spent the night in the Pasadena City Jail. Payment of her sentence was stayed by City Judge John C. Mead until tomorrow afternoon, Dec. 9, at 6 o'clock.

WOMAN FINED \$25

FOR INTOXICATION

Julie Miller Evers, 694 Sunnyside Lane, was fined \$25 Saturday morning after pleading guilty to charges of drunkenness and disorderly conduct.

Mrs. Evers was arrested Friday evening, Dec. 2, and spent the night in the Pasadena City Jail. Payment of her sentence was stayed by City Judge John C. Mead until tomorrow afternoon, Dec. 9, at 6 o'clock.

Local Scouting Program Doubles In Last 5 Years

During the last five years, Scouting activity in Sierra Madre has nearly doubled, according to Dick Lees of the Sierra Madre Boy Scout District Committee.

In December of 1944, there were a total of 124 Scouts, Cubs, and Explorers registered in this city, and four troops, packs, or posts.

Figures compiled on October 30, 1949, show that the number of units, ships, and troops has exactly doubled, there now being eight such units.

Lees said the check revealed that Sierra Madre now boasts 232 boys participating in Scouting programs (104 Cubs, 107 Scouts, and 21 Explorer Scouts).

Sierra Madre District is a part of the Pasadena-San Gabriel Valley Council which maintains an office and staff in Pasadena, Lees pointed out.

This Council is a segment of the national organization which was chartered by act of Congress.

He listed the following services to Sierra Madre that the Pasadena Council office performs:

It registers and supervises all Scouts and advisors; organizes new units; records the progress and advancement of each unit and individual Scout; trains leaders; maintains a supply of badges and awards and official uniform distributors; maintains Field Executive Staff service; and conducts camps and excursions or other activities to benefit the use of three outstanding camps—Camp Huntington and Camp San Antonio throughout the entire year, and Camp Cherry Valley on Catalina Island during the summer," Lees said.

MRS. PORTERFIELD INJURED IN FALL

Mrs. A. R. Porterfield is at the Huntington Memorial Hospital this week being treated for injuries received when she and Mr. Porterfield slipped and fell down the steps at a neighbor's house.

While both Mr. and Mrs. Porterfield were involved in the accident, only Mrs. Porterfield was injured. The couple lives at 214 W. Carter.

Mr. Porterfield said Friday that his wife's injuries were more painful than serious, there being no broken bones.

HOME FROM HOSPITAL

Mr. L. S. Ward returned to his home at 270 W. Highland Wednesday following a stay of four weeks in the General Hospital at Los Angeles for surgery.

Approximately 97.8 per cent of all Scout leadership is voluntary, however, he said.

LOCAL BANKERS HEAR FBI MAN

Representing the Bank of Sierra Madre at the monthly dinner meeting of the Independent Bankers Association of Southern California held in Los Angeles last week were President R. C. Lewis and W. H. Ingraham.

R. B. Hood, special agent of the L. A. Federal Bureau of Investigation, was principal speaker of the evening. He told the bankers the part the FBI plays in investigation of bank robberies and frauds.

Association President Herman F. Hahn presided over the meeting.

RENEW EUROPEAN FRIENDSHIPS

Mr. and Mrs. Rudolph Hubachek recently came to Sierra Madre from New Jersey and are guests of Mr. and Mrs. Anton Zednik of 352 N. Grove. They have purchased the property at 206 N. Auburn and will make their home here. Mrs. Hubachek and Mrs. Zednik were girlhood friends, born in the same city, Pacov Czechoslovakia.

LIBRARY HONORS AMERICAN POETS

The Huntington Library this week is celebrating the centennial anniversaries of two American poets—James Whitcomb Riley and Edgar Allan Poe.

On Oct. 7, 1849, Poe died in Baltimore, Md. On the same day of the same year, Riley was born in Greenfield, Indiana.

A century and two months later, the Library is opening special exhibitions of both poets' work, showing original manuscripts and early printings.

ST. LUKE PATIENT

Mrs. Charles B. Smith of W. Montecito was taken to St. Luke Hospital Tuesday where she was an appendectomy patient.

Tourist Spending Shows Decrease

The average party of out-of-state tourists spent \$370 in Southern California the past year, and enough of them came here to spend a total of \$406,748,920 for the 12 months, the All-Year Club announced last week.

This was a drop of 36 per cent from the spending in 1948, but it was explained that the decline was less than during the two previous years, which indicates that the Southland's tourist business is now stabilizing after the immediate post-war "flood-tide."

Shades of Yesteryear

40 YEARS AGO

December 10, 1909

City Engineer Mansur has completed the grades and profiles for Suffolk avenue so that proceedings for the improvement of that street can begin as soon as the grade ordinance is adopted by the trustees.

Baldwin's Field at the foot of Hermosa avenue will be the scene of the football game to be played tomorrow afternoon by the Knights of King Arthur team and the Whittier Boys Club team.

Sale of the Sierra Madre Water Company plant to the city for \$96,000, and issuance of \$100,000 in city bonds to pay for the plant and supplying a small working capital were two programs mapped out last week by the trustees.

25 YEARS AGO

December 12, 1924. Plans for the Fourth Annual Community Christmas Tree and celebration are rapidly assuming definite shape under the general management of Marshal A. M. Udel, who was placed in charge by the Firemen's Club. The program will be held Christmas night, 7 p. m., at the City Park.

Harvey H. Steinberger was the low bidder on the contract for construction of the new city reservoir on Mira Monte avenue when the city trustees opened bids last night.

Santa Claus at Woodson Jones' store last Saturday made several hundred children happy with a personal interview and the gift of a tiny whistle.

15 YEARS AGO

December 7, 1934.

Sierra Madre's extensive settling basins and spreading grounds were brought to completion this week, after three years of work and a total expenditure of \$71,518. The last of the SERA workers, and the city's equipment were withdrawn from the project Tuesday as work came to an end.

A check for \$4287 was received by the City Clerk Wednesday as the first payment on Sierra Madre's real property tax collection. The amount is 8 per cent more than last year's initial payment. The complete tax returns will amount to between \$55,000 and \$56,000.

the Mapha Club-sponsored TB
Christmas Seal drive.

Possibility of preparing a
master calendar of events in
Sierra Madre was discussed by
Mrs. P. R. Woodworth and
Mrs. Rosalie Goodwin. To avoid
all-too-frequent date conflicts,
it was suggested that groups
announce the date for their
important events and have
them posted.

Mrs. Goodwin emphasized
the importance of informing
the calendar chairman of all
changes on the schedule.

Helicopter Brings Santa Clause to Big Sky Theater

Santa Claus will arrive in
his new helicopter Saturday
afternoon, 5 o'clock sharp, at
the Big Sky Drive-in Theater
on Huntington Drive.

He has sent word that he
will land in the midfield be-
tween the screen and first row
of automobiles to stay through
the first picture. He will meet
all children and distribute
gifts. Kids accompanied by
their parents will be admitted
free.

City Postmaster Offers Christmas Mail Advice

Anticipating the usual Christmas rush, Sierra Madre Postmaster Eddie D. Robertson this week listed a few pointers for citizens regarding their mail.

He emphasized the fact that
require 2-cent stamps, instead
Mr. Robertson pointed out that
by sending cards first class
(3 cents), they can be for-
warded.

To avoid possible delay dur-
ing this extra-busy season, the
Postmaster asks that outgoing
mail always be carefully des-
ignated as to zone number.

Mr. Robertson stated that
shrubbery should be cut so as
not to obscure the mail box or
house numbers. He pointed out
that most of the Christmas
mail will be delivered by extra
Post Office help, necessarily
unfamiliar with many local
houses.

"House numbers should be
painted in direct contrast to
the color of the house to make
them conspicuous and easily
seen from the street," he said.

"Please help your mailman
by being prompt in answering
the door when he calls to de-
liver registered, C.O.D., or
insured parcels," the Sierra Ma-
dre Postmaster stated.

City Chorus In Last Rehearsals For "The Messiah"

Final rehearsals are being
held for George Frederic Han-
del's "Messiah," which will be
presented next Friday evening,
Dec. 16, by the Sierra Madre
Community Chorus.

To be presented at the City
School auditorium at 8 p. m.,
the oratorio will be under the
direction of Stewart Matter, and
will be accompanied by an
orchestra.

"All soloists and chorus
members are Sierra Madreans,"
Choir President Francis Eak-
man stated Tuesday. "It will
be an all-Sierra Madre produc-
tion."

An unusual feature of the
presentation is the fact that
the four solo parts will be
sung by two married couples.

Mr. Eakman said names of
the soloists and other details
of the choral program will be
announced next week.

He said admission to the
performance is free, but that a
voluntary offering will be tak-
en during the evening.

This will be the second an-
nual presentation of the "Mes-
siah" in Sierra Madre. Com-
munity Chorus members have
been rehearsing the oratorio
since early in the fall.

Stuart Guys Describe Their Life in Formosa

Despite mosquitoes, a paper house, and curious Chinese natives, life in Formosa is proving very interesting for Lieut. and Mrs. Stuart Guy and sons, Michael and Timothy, formerly of Sierra Madre.

In a recent letter to her parents, Mr. and Mrs. Elmer Tracy of 2 Cypress Court, Mrs. Guy told of attending many military and social functions. They have met many Chinese dignitaries, consulate members, and Senator and Mrs. Knowland of California.

Mrs. Guy writes:

"I like everything here but our house. It's Japanese style and you have to take your shoes off before you come in. There are sliding panels instead of walls and doors, and they're paper; there are hardly any windows."

"There aren't any beds so we sleep on army cots which aren't exactly the latest thing in comfort. We have to sleep under mosquito nets every night, which give me acute claustrophobia."

"We get all sorts of things here that we couldn't get in Japan: fresh bananas, pineapples, vegetables and oranges."

"The Formosans or Taiwanese (as everyone calls them but the Americans) are fascinated by us because we are so fair. While waiting for a movie to start one evening (we were the only Americans in the audience) someone walked up behind me and grabbed a big hunk out of my hair."

"Prior to moving to Taipei, Taiwan, the guys were stationed in Japan. Lieut. Guy is the only American officer in Taipei.

Leaders of the five participating troops are Mrs. J. Glynn, Troop 17; Mrs. M. Hildner, Troop 11; Mrs. Frank L. Holloway, Troop 8; Mrs. J. Rogers, Troop 9; and Mrs. Margaret Andrews, Troop 12. Approximately 85 Girl Scouts are included in the Christmas project.

In addition, the Choral group, consisting of representatives of these troops, will present a Christmas carol program at the sanatorium. The carolers will be under the direction of Mrs. Richard O. Richards.

The two troops, which will perform in the Chamber of Commerce evening Christmas program Monday, Dec. 12, gave Friendship Club members and guests a preview of their Christmas carols by singing many of the familiar old songs, the selections included Adeste Fidelis, O Little Town of Bethlehem, Hark the Herald Angels Sing, It Came Upon a Midnight Clear, and Deck the

Friendship Club Hears Talk, Carols

A program of Christmas music by girls of Girl Scout age and younger, and a talk on the Coordinating Council featured Monday's meeting of the Friendship Club.

Under the leadership of Mrs. Richard O. Richards, approximately 40 Girl Scouts from Troops 11 and 12 presented a program of carols and other seasonal songs. Another group of girls, ranging in age from 3 to 11, also sang several numbers.

Included in his record of 11 major field explorations are the 1949 Juneau Icefield Research Project of the American Geographical Society and Office of Naval Research in Alaska; the Patagonian Icefield Expedition; and the Arctic Institute's Expedition to Seward Glacier in the Yukon Territory.

The "Angels," six little girls, sang Jesus Loves Me, I Saw Three Ships a Sailing, and Silent Night. Members of this group were Sandra Frances Richards, 3; Gloria Woodward, 5; Pamela Valois, 5; Mary Jo Pittenger, 6; Katherine Conzelman, 9, and Shirley Cook, 11. The singers in all three

Final Rites Held In Compton For Nonagenarian

Services were held yesterday afternoon in Compton for the late Mrs. Charlotte C. Tesh of 251 Santa Anita Court who passed away Friday in the Lutheran Hospital at Pasadena following a three weeks' illness.

A spokesman of the Council said this week that more than 1500 registrations are being received each month. In three hours one Saturday morning, the office states that 170 Cub registrations were filed over the counter, not counting those received in the mail.

This terrific increase, the Scout executive explained results in considerable delay in processing all applications. He said, however, that registrations are being taken care of as fast as possible.

Valley Girl Scouts To View Pantomime

The annual Christmas Pantomime at the Pasadena Playhouse will be given Saturday, December 10, for all area Girl Scouts.

Sierra Madre Intermediate troops will attend the 9:30 a.m. performance. Brownies will go at 11 o'clock. There is no admission charge and transportation is to be arranged within each troop.

Citizens Attend Nearby Concerts On Local Tickets

Many Sierra Madreans are taking advantage of their local Concert Association memberships in attending concerts in nearby communities, it was disclosed Tuesday by Laura Cadmus Bezotte, Association publicity chairman.

She reports that more than 25 from this city heard Rudolph Firkusny, prominent pianist, when he was featured artist at Monrovia last week.

On Monday of this week, local concert-goers journeyed to Azusa to hear famed pianist Lili Kraus. She also appeared at the Santa Ana concert on Tuesday evening, Dec. 6.

First concert in Sierra Madre will be conducted on Jan. 11 at the City School auditorium. Soprano Carolyn Long will present the program on that evening.

Mrs. Bezotte also announced two other program dates Sierra Madreans should remember. On Jan. 16, in Fullerton, the Concert Association of that city will present Nino Martini, tenor. In Azusa, famed balladeer, Susan Reed, will be heard on Jan. 18.

New Parade Policy

All undecorated cars will be eliminated from the forthcoming Tournament of Roses Parade under a new policy announced this week by Chief of Staff John S. Davidson.

The new plan is aimed at making the 1950 parade a floral pageant throughout, Mr. Davidson said.

Parade aides, who in former years rode in undecorated cars, will control the flow of the pageant this year from 10 stations spaced along the line of march.

Adjutant Allen F. Clark will maintain constant telephone communication with the aide stations, it was said.

Holiday Time For Pie

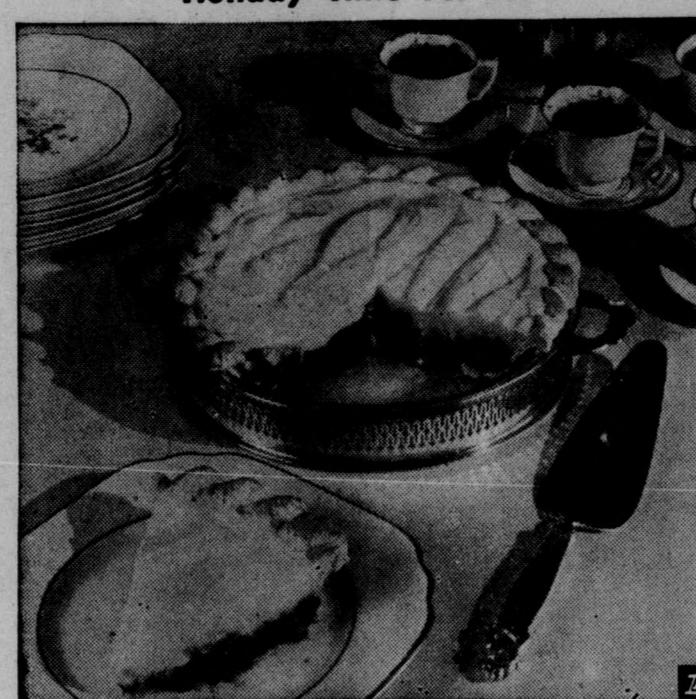

Photo by Jello Puddings

Serving pie for dessert is one of America's favorite habits—so much so that we say "As typically American as apple pie." Pies are especially traditional for holidays—Cherry Pie for Washington's Birthday and Pumpkin Pie for Thanksgiving.

Of course we must always have a Mince Pie for Christmas. The one pictured here—Mincemeat Cream Pie—is a new version of mince with a layer of packaged vanilla pudding added to the top. There are other pies that gayly exploit the color-scheme of a special holiday, like the Christmas Delight Pies described below. Here the cherries are molded in red cherry-flavored gelatin, then a layer of lime-flavored gelatin is added, for a bright and colorful Christmas dessert.

Bringing the meat pie is another tradition, though it's holiday time!

Mincemeat Cream Pie
1 recipe prepared vanilla pudding
1 cup milk
1/2 cup sugar
1/4 cup rum extract
Three-fourths cup mincemeat
1 baked 8-inch pie shell

Prepare pudding as directed on package. Cool slightly (about five minutes), stirring occasionally. Add rum and mix well. Spread mincemeat in bottom of pie shell. Cover with pudding. Chill.

Christmas Delight Pies
No. 2 can red sour pitted cherries
1 cup cherry juice and water
1 cup lime-flavored gelatin
1 cup hot water
2 baked 8-inch pie shells
1 package lime-flavored gelatin
1 cup lime juice
2 cups cream, whipped and sweetened
1 cup shredded coconut

Drain cherries well; reserve juice. Add enough water to juice to make 1 cup. Dissolve cherry gelatin in 1 cup hot water. Add cherry juice and water. Chill until slightly thickened. Then fold in cherries. Place 1 1/2 cups gelatin mixture in each pie shell. Chill until firm.

Dissolve lime gelatin in 2 cups hot water. Chill until slightly thickened. Spread a thin layer of whipped cream over first gelatin layers. Cover with slightly thickened lime gelatin. Chill until firm. Top pies with remaining whipped cream and sprinkle with coconut.

POSTAL RECEIPTS DURING NOVEMBER UP 48 PER CENT

Postal receipts for the month of November indicate an increase of approximately 48 per cent over those for the comparable month of 1948, it was disclosed this week by Postmaster Eddie Robertson.

During last month, a total of \$7,452.77 in postal receipts was recorded by the Sierra Madre office, as compared with \$5,004.46 for November, 1948.

In October, \$6,268.57 in receipts were reported by the Post Office.

Disabled Vets Visit Sierra Madre, Sell Forget-Me-Nots

Representatives of the Foothill Chapter 55 of Disabled American Veterans were in Sierra Madre last week when the organization conducted its Annual Forget-Me-Not Drive.

Selling the blue flower badges locally Thursday, Friday, and Saturday were F. C. White, Mrs. Henrietta Mills, and F. C. Leonard—all from the Foothill Chapter.

The Chapter, which is commanded by William L. Kaecke, encompasses Sierra Madre, Arcadia, Monrovia, Azusa, and Glendora.

With each lapel forget-me-not, purchasers were given an application for membership in the Disabled American Veterans organization.

'The Trial' Begins Run At Playhouse

National and international attention was focused on the Pasadena Community Playhouse last night, Dec. 7, when the American premiere of "The Trial" was conducted on the local stage.

An adaptation and translation by Jacqueline and Frank Sundstrom of the play written by Andre Gide and Jean-Louis Barrault, the dramatization will continue its Playhouse run until Dec. 18. Gide is a recent Nobel Prize winner.

The Sundstrom translation of the novel, now in its eighth printing, is the first successful English version of the French masterpiece. Added attraction of the Pasadena production is the elaborate two-level sets designed by George Jenkins.

Following its Pasadena engagement, "The Trial" goes to the St. James Theater in London.

ALDEN WEBSTER OPENS AGENCY

Alden Webster, 305 E. Laurel avenue, has been granted a local agency in the State Farm Mutual Automobile Insurance Company of Bloomington, Illinois. He will be the Sierra Madre agent for this firm and also for the State Farm Fire Company and the State Farm Life Company.

Although he opened his agency at his home, on Oct. 15, Webster plans to move into a downtown office of this city in the near future.

Webster has been a resident of Sierra Madre since 1932, and has been active in the civic and musical life of the community. Until recently, he was organist at Bethany Church. He plays the piano, pipe organ, and trumpet, and has conducted musical tours through 39 states.

A pioneer in radio broadcasting, Webster appeared frequently on WBAP, Fort Worth, Texas; WHQ, Des Moines, Ia.; and KOMO, Seattle, Wash.

He is also active in the field of education, having been appointed this year to serve on an advisory committee of the Pasadena Board of Education under Superintendent of Pasadena Schools, Willard E. Goslin.

Guardian of feet . . . HEALTH

We know it isn't your idea to intentionally forget to have your child's feet checked as regularly as you take him to the dentist . . . but youngsters outgrow shoes so fast that it's hard to keep up with them.

So we suggest this rule . . . every two months bring your child in for a foot check-up. Be sure that shoes are just right.

It's the best insurance we know to assure them healthy feet in later years.

POLICE BLOTTER

Boys throwing rocks on Canyon Crest—Paul Bird flew there to do his best, and met a boy along the road who then admitted he had "threwed." Boy suddenly introduced to his mother.

"Long side the house there was a hose, now, just who stole it no one knows. Twas 25 feet.

A boy came in all in a sweat, for he had lost his clarinet. And he well knew when he got home, that mama would be talking some. (Pronounced sum.)

A bike is lost and here's a note that got a little lady's goat. She called the cops and there they found that some darn fool had been around.

Folks are losing things today for here's a lady (who) lost her way. She also lost her money bag, so now the cops are on the drag.

A man who stood behind a tree was asked why the mystery. Tex Gotcher found the man alright, for he had reasons out of sight.

A Helicopter flew around and made an awful noisy sound until the neighbors soon complained and hoped the thing would be arraigned.

A barking dog, a barking dog, and here's another barking dog, a prowler here, a missing boy, continue on the Log.

A petty theft now adorns the sheet and gets the copper on their feet to find if footprints in the sand are like the one's they find on land.

At last, there's something that's been found—a purse wide open on the ground.

Her husband taught her how to drive, she was positive she knew, so wifey took the driver's seat and through the air she flew. She tried to land it nice and smooth and have it bumpless free, but when it landed on its feet, it ran into a tree. (Bumper damage only.)

A neighbor's cat that won't stay home is much inclined when on the roam to bother neighbors to disgust. So they complain to no avail and ask that the feline be in jail.

A dog's been poisoned, sure 'nuff. And when it's found about the stuff, there'll be some blame.

To put out poison is not slick, it's just a dirty low down trick, a measly shame.

A group of boys who do not think, have made an awful lot of stink by placing stink bombs in a place that brings to them a sad disgrace.

And then on the other page we find such things as malicious mischief, a drunk, someone burning out of hours, a call for help, a prowler, a schoolhouse burglary, a mysterious phone call, a lost dog, stealing olives from trees, a telephone wire down, and a car parked in a private driveway.

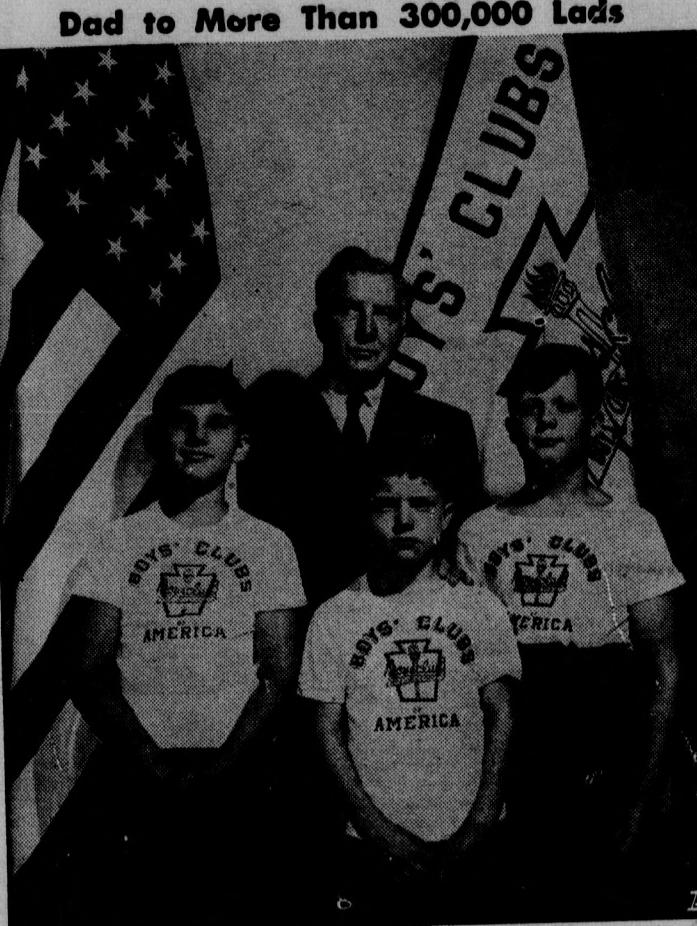

A fire call proved to be a shorted electric wire. Ordinarily this would have blown out a fuse. In this case, the fuses were not of the correct amperage. Warning to others.

They met, they drank, they had a time and when the stuff began to wear off, she accused him of stealing clothes. This resulted in a noisy quarrel that reached the public street. From here they were both taken to the City Jailhouse. Fines were in order, plus severe sentence.

Petty theft from an auto. Mackie and Bird working together during the prowl hours of night were asked to destroy a sick possum that had crawled under a house. That's easy. Several bicycles have been removed from their parking places. Better lock 'em up.

Lorne Pratt along Canyon Crest Drive is having quite a time with birds. (Not including Officer Bird). On Saturday their family Cockatoo flew the coop. On Sunday morning, while he was busy doing the

Dad to More Than 300,000 Lads

More Boys' clubs will help stem the tide of juvenile delinquency, believes David W. Armstrong, national director of the Boys' Clubs of America.

Armstrong, whose organization has a membership of over 300,000 boys, is pretty proud of them. A former member himself, he says what is not today is less talking about what's wrong with the youth of our land, and to start telling what's right about them. While there are 325 clubs throughout the country now, Armstrong says there should be a thousand. He tells the complete story "325 Boys' Clubs Not Enough" in December "Coronet."

A boy is full of energy and it seems the words boy and trouble are synonymous, Armstrong said. Nature has endowed the boy with an unlimited amount of this energy and Armstrong believes that a Boys' Club gives the lad the opportunity to expend that energy into the right channels, with a minimum chance of getting into trouble.

Armstrong, a graduate of the "University of Hard Knocks" made his own way as a boy, paid for his own education. His first job in a shoe factory netted him \$2.90 for a 54-hour week. Seven years ago a large university bestowed an honorary degree upon him for his outstanding work in the field—The Boys' Club Movement.

farm chores around the ranch, a beautiful Parakeet flew into his arms.

He ran into the house and flopped into his most comfortable chair. Mumbling to himself, he was heard to say, "Well, I thought you were a pretty bird before you left the house but you have lost some weight."

That chicken thief works around. During the temporary inconvenience of laying the new pipe line on the south side of Sierra Madre boulevard, the auto drivers showed a great deal of patience. They are to be commended.

If the business district should advance to the west, let us hope that those who build new stores will provide convenient parking for cars.

ANOAKIA GIRLS ATTENDING SC

Ten former students at Anoakia School for Girls are now attending the University of Southern California, it was announced this week.

According to the SC registrar, the following local girls are enrolled at the University:

Cavita Ackerman, sophomore; Helene Laura Belyea, freshman; Shirley Louise Bradway, freshman; Janet Cristy, junior; Mary Joan Dean, junior; Sally Edgar, sophomore; Joan Frances Harper, sophomore; Mary B. Palmer, junior; Dolores Eona Schouweller, senior; and Marlene Ann Wessel, freshman.

The registrar also disclosed that there are 15,866 daytime students enrolled this semester at SC. Of this total, 3556 Trojans are doing graduate work.

OVER MILLION VISIT MUSEUM

During the fiscal year 1948-49, a total of 1,016,378 persons visited the Los Angeles County Museum at Exposition Park, James H. Breasted Jr., director, reported this week.

He said this figure breaks all records in the 39-year history of the museum, and is an increase of 291,032 over the annual visitors during the preceding year.

According to Breasted, the new record is largely a result of the enormous public response given the "Masterpieces from the Berlin Museums" display.

McGUFFEY SOCIETY SCHEDULES MEETING

Final Pasadena McGuffey Society meeting of the year will be held Saturday, Dec. 10, 1:45 p.m., at the Odd Fellows Temple, 175 N. Los Robles, Pasadena.

Former McGuffey Reader pupils and their friends are invited to attend the program, which will feature 20 entertainers wearing colorful costumes of the Gay '90s. They will sing popular numbers of that period. The singing of Christmas carols also is slated for the meeting.

Lockheed Engineer

To Speak at Muir

The public is invited to a talk today at John Muir College by Alfred H. Peterson, Lockheed Production Engineer, at 1 p.m. in Room 206 of the College.

Speaking on "Planning Your Future As an Engineer," Mr. Peterson will address the more than 200 engineering students at Muir. Engineering instructor at the College is H. R. Shepard.
